

Watch your step!

*All Toubin & Clement riding grounds are certified.
Check for yourself.*

**It's a fact,
every ground is unique!**

Whether it is for competition or training purposes, Toubin & Clement have for a long time, displayed their exceptional capacity to distinguish themselves. Providing durability for the horse's career, increased competitiveness, comfort and security, Toubin & Clement's quality is the result of a unique combination of know-how and technical expertise. They have managed to strike a balance with a surface which slides and yet is firm, is ideal for take off and comfortable upon landing. All riders who have appreciated this quality of riding surface acknowledge the irreplaceable performance of Toubin & Clement riding grounds.

**Riding grounds that distinguish
themselves by their difference**
